# mind Bath

Bath Mind is a local, independent charity, supporting the mental health and wellbeing of everyone living in B&NES. Whilst we are affiliated with national Mind, we receive no direct funding from them. Bath Mind do not have any shops or retail outlets.

Our services are funded by commissioned funding, grants, corporate and individual donations, gifts in wills, in memory donations and local fundraising.

We would like to take this opportunity to thank all those who support us, in so many different ways. This support enables us to continue delivering our life-changing services.

Bath Mind is governed by a non-executive board. Board members oversee the direction and strategy of the charity, holding the senior management team to account and scrutinising their decisions. Board members serve on a voluntary basis.

Local Minds undergo a rigorous assessment, which includes a thorough appraisal of organisational policies and procedures as well as a visit and interviews with trustees, staff, volunteers and people who use services. MQM is awarded when all standards are fully met.
