Mental Health First Aid Refresh: Half day course

Overview

Instructor: **Bath Mind Trainer**

If you are a Mental Health First Aider or MHFA Champion you have skills for life that support you and the people around you. We believe that mental health should be treated equally to physical health – and just like physical first aid, Mental Health First Aid training should be kept up to date.

The 4.5-hour MHFA Refresh course will empower participants to:

- Keep your awareness of mental health supports current.
- Update your knowledge of mental health and what influences it.
- Practice applying the Mental Health First Aid action plan.

Please note that the MHFA Refresher is only for people who have completed an Adult MHFA course or the MHFA Champion course 2-3 years ago.

Takeaways

Everyone who completes the course gets:

- A certificate to confirm you are a Mental Health First Aider
- A manual to refer to whenever you need it
- A quick reference card for the Mental Health First Aid action plan
- A workbook including a helpful toolkit to support your own mental health.
- Includes access to the new MHFA course resources, ongoing learning and 24/7 digital support through the MHFAider Support App®.

Format

- This is a half day course delivered either face to face or via online video conferencing (4.5 hour).
- Learning takes place through a mix of presentations, group discussions and workshop activities.
- We limit numbers to 24 people per course so that the instructor can keep people safe and supported while they learn.

How often should MHFA England skills be refreshed?

Just like physical first aid, we recommend that Mental Health First Aiders and MHFA Champions attend a Refresh course every three years. If it's time to refresh your skills, book onto an MHFA Refresh course now and feel confident that you are performing your vital role safely.
